Dear Horland

March 28th 1890.

I have written Mr. Joy I would
send him over my House & of
Master Eagles which includes most of
the dates (a nice lot of Master Eagles)
on approval if he wishes to look them
over for 600. I includes all of the early
dates prior to 1834. Take it dates
If I make this deal I will pay you 5%
Commission If he orders them go and
look them over. I have not mentioned
your name to him but go and see them.
I got another of the Large size Byron & did
paid 1896. in gold in trust for the other 47 cents.
over the head. which I did not have I had me
with the other 47 cents under the head.
The Tiffany silver pieces of Byron sold for \$15.50. or
Henry Chapman's Case I bid \$15.00 in & not knowing
I had one at home. So am glad I did not get it.

Boyd and Leon were ~~also~~ but did not
purchase much. Wilson was then also from Montreal
Zestie Elder & Seow & Heeline most
of the pieces were cheap. only the good pieces
brought good prices. as I was most of a sale
of cents than any thing the Half dollar
1996 brought a big price I do not now
remember Henry brought it in.

The parties who Henry were selling the Coins
for were then to protect them against low
prices. so every thing brought all it was
worth. There are 2 sales on this week in
New York nothing that amounts to any thing
I sent one bid in one sale, and 2 bids on
the other sale. There was not enough in ~~both~~
to get me interested enough to go to New York

Yours
Jae

Dear Howland.

I suppose by this time you
have reached home and am attending strictly
to business after our Continued Round of Pleasure
It was a happy time for us I would like to see
it continue year by year The only one I feel
sorry for as far as I know is Charlie Gier
who was left on the board of Governors, and Henry
he must feel blue although he has no heart.
for any one except him self when he thinks he can
see some money ahead H. S. acted a gentleman
Mr & Mrs D. Will Smith have been over visiting us.
returned to Lie this Eve. when are you coming over
remember the Latch string is always ready for you
to come when you can so we can have another
Round of Pleasure. Talking over old times Enclaud plus
find Cord of a Gentleman I met at Toronto I
think he would like to become a Member of the
General Order if he is not. He is a large Collector of
Canadian Coins & Medals. I liked the looks of him very
much, and his actions & Conversation Yours truly

My Dear Little Howland

I have not heard from you since we had our continued round of pleasure. a little fellow (one of the triplets) ought to write to his brothers often you made them and should look after them I had a nice letter from our other brother Charlie of Pittsburgh last week he said he enjoyed meeting you very much and has fallen in love with you Charlie (Old Honesty) is OK. I never laughed so much or so late into the night as I did there at Columbus at the Hotel I saw Mr Fry last week in New York he is anxious that you Dr Wright Old Honesty and he and so am I. that you if come over some time in October and make me a visit I have plenty of scenery at that time to feed you all on so I think

I think it would be nice for as to
gather here I wish you would write to
Dogs and see if you can not all come
when I would be convenient for you all.
My House is open to you I at any
time you can make arrangements.
Since I got back Mr & Mrs Smith are
over from Lee. I was down to the Jamestown
Exposition Met Mr Geo Kunz of the
firm of Tiffany & Co. He was one of the
Special Judges there, was also on the
Assay Commission with me in Feb. He told
me he had seen the New Gold pieces of
Philadelphia and thought with a few changes
they would be adopted, I dined with the
Special Judges each day I was there so
met them all. Had a nice time they have
a good Exposition one can spend 3 days
there very profitably it is now in complete
condition Write me when you can find time.
One of the Triplets
Joe
